Implementation Sites: Trilogy Incorporated Behavioral Healthcare (north Chicago); Thresholds Psychiatric Rehab Centers (south Chicago)

Special Population Focus (if applicable):

Project Director: Katherine Burson

Project Team Members:

Description of Peer Involvement: 1 IPS Certified Recovery Support Specialist at each site

Service Goals: 350 total

Project Description: The Illinois DHS, Division of Mental Health (DMH) will use the grant to enhance state and community capacity to provide and expand evidence-based supported employment programs (EB-SE)/Individual Placement Services (IPS). This will be accomplished by working with consumer organizations, state agencies, employers, family members, and other stakeholders to develop a state infrastructure to maintain and expand EB-SE services throughout Illinois and serve individuals with serious mental illness and co-occurring substance use disorders.
