Special Population Focus (if applicable): Many Hispanics and refugees included in Compass’ service area

Project Director: Doug Wallace

Project Team Members:

Description of Peer Involvement: Sedgwick- 2 PT Peer Mentors; SW Kansas- 2 FTE Peer Mentors

Service Goals: 25 YR1, 50 YRS2-5 (225 total)

Project Description: The purpose of the Enhancing Supported Employment in Kansas (ESEK) project is to enhance state and local capacity to provide and expand the evidence-based supported employment Individual Placement and Support (IPS) model through 1) increased state and local coordination, 2) identification and development of policy and sustainable funding approaches, and 3) enhanced implementation of the IPS model at two local sites. ESEK will build upon the existing supported employment efforts in Kansas.
